

West High Soccer 2017 - FINAL ROSTER

If your name shows up on this list, please report to the soccer field Friday by 10:00 AM. If you are not on the list, please continue playing soccer and if you are in 9th - 11th grade, come back for tryouts next year! There was an incredible number of talented soccer players this year and we look forward to seeing many of you in 2018.

Attention 9th Graders, due to the lack of a Freshmen team, we have put a priority on rostering upper classmen. With that said, please take every opportunity you have in the coming year to continue to improve your technical, physical, and tactical ability for the next round of tryouts. We were very impressed with the level of competition and hope to see each and everyone of you back at tryouts next year.
