

West High Girls Soccer
No Cut Policy

1. Tryouts will be held each fall on the first few days of official practice time.
2. All girls should plan to attend the tryout dates.
3. If girls cannot make the tryout dates, please contact a member of the coaching staff to make arrangements to join the team at a later date.
4. All girls who attend will be a part of the team.
5. The team will be divided into three categories:
 - a. Varsity (Maximum 30 players)
 - b. Junior Varsity (Maximum 30 players)
 - c. Development (No Limit)
6. Decisions on who is assigned to which team is determined solely by the coaching staff.
7. The best team will play Varsity, the next group will play Junior Varsity and all others will play Development.
8. Placement on a team is based on skill level and ability to work as a team, not by grade level or years of experience.
9. Varsity and Junior Varsity teams will play the regularly scheduled games.
10. The Development team will play an abbreviated schedule against other schools.
11. All teams will train at 3 pm.
12. When determined by the coaching staff, some team practices will break off to work on specific needs.
13. Some players may move from one team to another during the season.
14. The expectation for keeping rules and participating is the same for all three teams.

West High Girls Soccer is working to build a program where all girls can play at the level they are most comfortable at. All girls will be given the chance to be a part of the program. Some will play Varsity as Freshmen while others may not play Varsity until their Senior year.
