

**WEST HIGH GIRL'S TENNIS - 2016**  
**ITEMS TO BE COMPLETED FOR ELIGIBILITY**

**COMPLETE Pre-Participation Examination Form** (Formerly Form A) – A physical is necessary in order to complete this form and a Physician must sign it. Be sure that the name of your insurance provider is included. Sign all signature spaces (there are multiple requests for signatures; both parents and student). Schedule your physical immediately, do not delay. You will not be eligible to compete in Girl's Tennis until Form A is complete and submitted to Coach Bob.

**COMPLETE Concussion Training** - Concussion training through Garth McFarlane, the West High trainer, will be scheduled for the team on a date to be determined. It will be immediately after school and will last less than half-an-hour. You will need to have a parent sign the form which Garth will give you at the training and return it to Bob. You will not be eligible to compete in Girl's Tennis if you do not complete this training.
