

Parents Teachers Students Association

West High School, Salt Lake City

The PTSA involves in many programs, supporting and promoting the welfare of youth in our families and our school community. The PTSA also addresses important issues that matter to parents, teachers, students and school administrators.

Membership is open to everyone. We strongly encourage you to join and become members of the West High School PTSA.

Benefits

- Improve communication between parents and the entire school community.
- Understand school programs and support educational events.
- Collaborate with teachers and community members to boost children's well-being.
- Develop a positive reputation for our school.
- Understand challenges facing our school and help implement changes.
- Enhance student academic performance through active involvement in school.

Core Values

Volunteer opportunities to serve on the West High School PTSA Executive Board

West High School PTSA executive board members gain unique opportunities to develop leadership skills, learn about educational process and contribute to school program development. Much help is needed for PTSA to be successful. Parents, teachers and students interested in serving the West High School PTSA Executive Board are encouraged to contact us at ptsawest@gmail.com. Thank you!
